

Tigers win the District Reading Challenge

Wednesday April 15, 2015

What an achievement by Tyson students! The Grade 4/5 team **won** the District Reading Challenge competition against a large number of other schools from both our District and surrounding independent schools.

The Tyson Tiger Team took the win by one point, and will now represent our District at the **Regional Community Championships** in Langley next week. Should they be successful at that event against teams from the entire Fraser Valley regional area, they will move on to the **Grand Challenge** against teams from all areas of the South Coast.

What is the District Reading Challenge?

Students had to answer ultra-specific questions taken from 6 novels that they read, re-read, and then dug in to study exhaustively! Our Teacher-Librarian, Ms. Gillette spent hours and hours of extra time preparing the students for this huge undertaking. Learn more about the challenge, sponsored in part by the Fraser Valley Regional Library here: [Reading Link Challenge](#)

Good luck in the next round Tigers!
