

**BOARD OF EDUCATION
School District #33 (Chilliwack)**

**712.2
ADMINISTRATIVE REGULATION
Printing and Duplicating Services Copyright**

The Board of Education recognizes that authors have the exclusive right to copy their work and that others can only do so with permission. The Board of Education expects that all employees will respect current law and the legal rights of copyright owners in the production, reproduction and distribution of any material, both print and non-print.

The administrative staff of the District will annually remind all employees of the existence of laws pertaining to copyright and of other provincially sponsored initiatives such as Can Copy.
