

Recording of Regular Public Board of Education Meetings Consent for a Student to be Recorded Form 233.1A

PARENT CONSENT FORM

The Board believes recording its official Regular Public Board meetings will assist in its communication with the public. At times, students join their teachers and Principals in presenting to the Board on school programs, courses and/or activities. The Board of Education requires consent to record students during these presentations.

I give my consent to have _____ (*full name of student*), a
grade _____ (*grade the student is in*) student at _____
(*name of school*) recorded as a participant in a presentation to the Board of Education during
an official Regular Public Board meeting.
