Program Overview

This course will offer learners in Grades 2-3 & 4-6 a chance to learn outside of the classroom (rain or shine), explore their natural surroundings and develop a deeper appreciation for the great outdoors while integrating numeracy and literacy. This program will predominantly take place outdoors. Twice a week learners will come to the classroom to reflect on their outdoor pursuits. The final day of the adventure students will share their learnings with classmates and parents. Parents are responsible for transporting their child to and from the locations.

A signed permission slip is a requirement as a condition of registration in this program.

Program times & Supervision

- 10 a.m. to 2:00 p.m.
- Supervision will be provided by a teacher and education assistant.
