Stitó:s Lá:lém totí:It Update

The end of February comes with major milestones at the new elementary middle school build along the Vedder River:

- Roof going on second floor classrooms
- Roof work over gymnasium
- Metal stud walls for classrooms installed

- Metal stud walls and duct work in classrooms
- Footings for canopy posts formed (office in background)
- Trench dug for services to field house and field

Here is an aerial shot of Stitó:s looking north from the river:
