**RE: COVID-19 OUTBREAK**

Dear Parents and Staff,

This letter is to notify you that a COVID-19 outbreak has been declared at Promontory Heights Elementary School, 46200 Stoneview Dr, Chilliwack on

**September 22, 2021**

In coordination with the school and school district, the following measures have been put in place to control the outbreak:

- Closing the school, effective September 22, 2021. The school will remain closed until at least October 3, 2021.
- Requiring unvaccinated staff and students from the affected grades to self-isolate at home. All others will receive self monitoring letters.
- Reviewing the school's safety plans to prevent COVID-19 transmission.

**WHAT DO I NEED TO DO WHILE THE SCHOOL IS CLOSED?**

If your child attends this school:

- All children from the affected grades will receive a letter to self-isolate, others will be asked to self-monitor. Please see the attached self-isolation letter for more information on what this means for your household including testing recommendations.
- All children who attend this school who have symptoms of COVID-19 are advised to be tested.

If you are a staff member who attends this school:

- All staff from the affected grades who are not fully vaccinated will receive a letter to self-isolate, others will be asked to self-monitor. Please see the attached self-isolation letter for more information on what this means for your household including testing recommendations.
- All staff who attend this school who have symptoms of COVID-19 are advised to be tested.

**WHEN WILL I KNOW THAT IT SAFE TO RETURN TO SCHOOL?**

Public Health is working in collaboration with the school and school district to ensure that it is safe to return to school on October 3, 2021. You will receive additional communication closer to that time to verify that it is safe to return.
