

## **POLICY 372 CAREER PROGRAMS**

The Board of Education recognizes that career education offers students opportunities to explore a variety of career options for their future through classroom and practical community experiences.

The Board supports equitable access to career programs that integrate classroom learning with practical experiences in the workplace, including, but not limited to, Work Experience 12, Youth Work in Trades, Youth Train in Trades, Regional Career Programs and Dual credit, as well as related Board Authority/Authorized Courses.

The Board of Education supports career education that helps students gain the skills and competencies needed to support their personal career-life aptitudes, interests and goals.
