

School District No. 33
Chilliwack District Parent Advisory Council
Constitution & Bylaws

The British Columbia School Act provides that:

... it is the goal of a democratic society to ensure that all its members receive an education that enables them to become literate, personally fulfilled and publicly useful, thereby increasing the strength and contributions to the health and stability of that society;

And to assist in facilitating the achievement of those objectives the Act recognizes District Parent Advisory Councils and provides further that:

...the district parents' advisory council may advise the board on any matter relating to education in the school district.

Thus, it is our mission;

“To educate, inform, and empower parents to be true partners in the education of their children”
