## G.W. Graham Addition Update

- Classrooms painted and prepped for floor installation

- Second floor hallway drywall almost complete

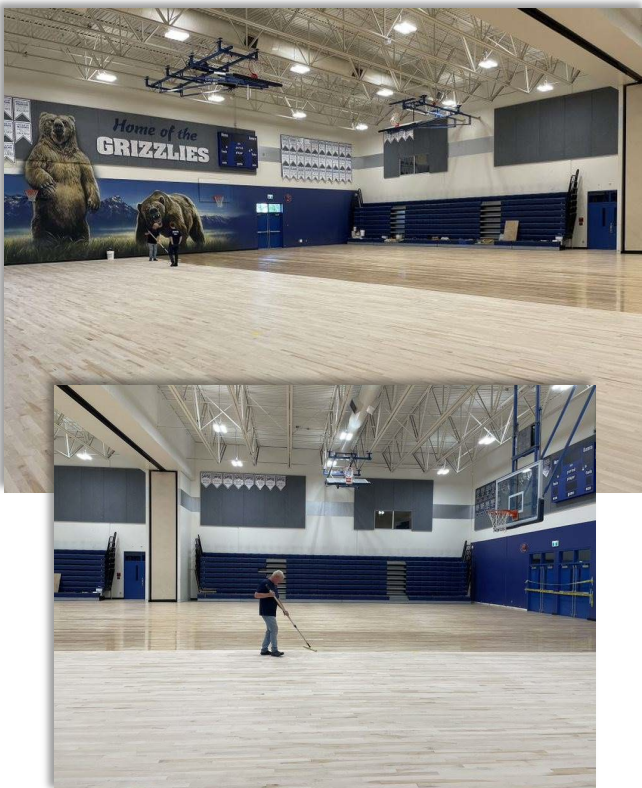

- Exterior cladding installed. Looks great!

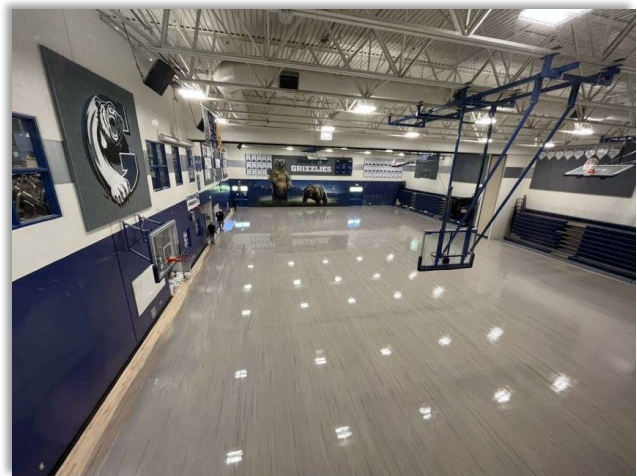

### ORIGINAL SCHOOL

- Gym floor refinished – gym floors sanded and finish going on.

- Colour stain and lines and logos are next!

## **ORIGINAL SCHOOL**

Lighting upgraded to dimmable LED fixtures in all classrooms.

This upgrade will give us energy savings and staff will have better quality lighting and dimmable lighting control

- Removal of old fixtures

- Old fixtures ready for recycling

- New flat panel LED lighting

- Finishing of interior drywall in hallways and classrooms

- Exterior prepped for concrete

- Exterior siding
