<a href="#">Fraser River Discovery Centre</a>	Connect with place-based, interactive, hands-on programs provided by the Fraser River Discovery Centre, which are designed to encourage students of all ages to feel connected to the Fraser River. Introducing a River School program offered at the FRDC, and River Champions which explores how climate change and flooding affects the Fraser River Basin.
<a href="#">Great Blue Heron Nature Reserve</a>	Touch table of resources from nature (bones, nests, etc.) and interpretive information discussing these items. Information on education programs, volunteer program, special events and more...
<a href="#">Mémíyelhtel</a>	Indigenous Youth Mentorship Program

# Our Journey to Truth and Reconciliation

October 6, 2023

<a href="#">Scholastic Education</a>	Scholastic Education offers blended and digital classroom resources in literacy, math, science, social studies, and French. We're committed to supporting teachers in their instruction—in-person, virtually, or in a hybrid/blended learning model. I will bring with me and display new and relevant curriculum resources that teachers and librarians will be able to use to engage and motivate students, as well as meet specific curriculum content areas.
SRRMC, <a href="#">Sto:lo Shxweli Language Program</a>	Halq'eméylem language learning and resources
Sto:lo Sitel Story Studio	Demonstrating use of loose parts in meaningfully weaving local, traditional stories into classroom settings.
<a href="#">Strong Nations Publishing</a>	Classroom resources, books, posters, cards, toys, gifts.
<a href="#">UFV Indigenous Student Centre</a>	Staff will be available to discuss programs, student supports and student recruitment.
<a href="#">WildSafe BC</a>	WildSafe BC is a provincial program funded by the British Columbia Conservation Foundation, a non-profit organization. Our messaging involves bear safety, reducing wildlife attractants in communities, safe camping, and overall education pertaining to wildlife, conservational stewardship, and peaceful co-existence. Information about common wildlife in BC, rubber paw prints, common wildlife signage, educational brochures, and three real animal skulls (which kids love to ask about! bear, cougar, and raccoon).
