- Just B4 for "4 year olds" who will be starting Kindergarten the following year.
- A monthly \$1750 surplus to cover any shortfalls or decreased enrolment.

Chilliwack Childcare Needs Survey

As the Ministry of Education has transitioned to the Ministry of Education and Child Care, the Chilliwack Childcare Action Plan Committee is looking to survey the childcare need in our community.

1. In your opinion: Is there a need for additional childcare in your area? *

- ☐ Yes
- ☐ No
- ☐ Don't know

2. What is your current or upcoming need for childcare?

- ☐ Currently enrolled in a licensed childcare program.

Vedder Elementary Child Care Survey (Before/After School Care for Kindergarten to Gr 5)

SD33 (Chilliwack) is surveying the Vedder Elementary School Community to assess the need and interest of opening a Before and After School Child Care for ages Kindergarten to Grade 5, located at Vedder Elementary. The results of this survey will help us determine the need in the community and how we move forward with future plans. Please note: filling out this survey does not guarantee a child care spot. If before/after school child care opens at Vedder Elementary, we will contact families regarding the registration process.

Books For Babies

Even though your baby can't yet grasp a book or sound out the letters of the alphabet, it's not too soon to introduce your little one to the magic of books.

Reading to babies and young children is important as it provides the building blocks of language and promotes attachment between parents and children.

KINDERFAIR

Kinderfair is an annual school event dedicated to supporting a positive transition to school for our upcoming kindergarten students and their families. At **Kinderfair**, we believe in the power of families learning together. Our activities are designed to be family-centered, allowing parents and caregivers to participate alongside their children. Families can enjoy shared reading experiences, engage in games, puzzles, and explore collaborative learning opportunities. **Kinderfair** also provides a unique opportunity for children and parents to meet and interact with school staff. This gives families a chance to familiarize themselves with the school environment, ask questions, and establish a connection with key educators who will support their child's educational journey.
