

CORE FRENCH IN THE MIDDLE YEARS

FRENCH BOOTCAMP CURRICULUM DEPARTMENT

GOAL:

- The Core French Bootcamp was created to engage middle school students in learning an additional language.
- The purpose is to create a wacky, bizarre story together as a class using common dialogue, daily vocabulary and everyday words and phrases.

STRATEGIES:

- Students were introduced to strategies such as word work practice, speaking games, and classroom library challenges in amongst a story format to practice their French skills.

From Staff...

"I did not know where to start with teaching French, but after participating in the French Bootcamp, my students were excited to learn French. My students are still talking about it!"
