Next Year's Budget

■ What we know

1. Decline in enrollment means:
 - Less revenue
 - Reduction in direct costs; assuming same service-level
2. Starting assumption of a deficit (structural)
3. Cost increases; Revenue decline
 - One-time: mediation settlement, election, ERM transition costs, costs of enrollment and facilities review
 - Ongoing: FIPPA, tech license, benefits, step movements, fuel, insurance, and other inflationary pressures
 - Drop in investment income
4. Salary and Benefit changes from the Collective Bargains

Next Year's Budget

- **What we don't know**
 - Provincial revenues related to changes from Collective Bargaining Agreements (ratio and salary adjustments)
 - Projecting this year is crucial to starting point and accumulated surplus

** Unrestricted Accumulated Operating Surplus at the start of 2026-27 needs to be determined; once we know that we can calculate the ending balance and policy compliance.

Accumulated Operating Surplus

The District will maintain an unrestricted operating surplus to support effective planning that includes risk mitigation. From time to time, the district may require emergency funds, or contingency funds for unexpected increases in expenses and/ or decreases in anticipated revenues. In these situations, the district needs to have access to enough funds to continue to provide educational services and maintain regular operations without implementing one-time service cuts.

The target balance for the Unrestricted Accumulated Operating Surplus is established in the range of **2 to 4 percent** of annual operating expenses as approved in the Annual Budget.

Quarterly Financial Report March 31, 2026

April 30, 2026

This report is provided in accordance with [Policy 610](#): Financial Planning and Reporting Policy; “Throughout the fiscal year, management will provide regular reporting which will compare actual and forecasted expenditures to the budget plan.”

This report is based on our Amended Budget and projections are updated with data through March.

The amended budget reflects maximum expected spending should all positions be filled and all budget allocations be spent. It provides authorized budget capacity given what we knew as of March. The projected actuals, show where we project to be at year end. We have not included the increased expenses due to negotiated wage increases, or their matching revenue increases.

The Projected Actuals have been trended to correspond with how we anticipate costs and revenues to be incurred.

REVENUES

Provincial Grants, Ministry of Education – Funding received from government grants based on announcements from the Ministry of Education. This reflects revenues confirmed by the Ministry through March. The February recount was relatively close to the September recount. The provincial grants surplus offsets the LEA funding from First Nations; however, further review and confirmation are required to ensure the two positions offset each other at year end.

LEA/Direct Funding From First Nations – Adjustments have been made to the budget to align with the revised First Nations student enrolment count (nominal roll) from the Ministry’s per-student funding allocation in February. The LEA funding deficit offsets the provincial grants; however, further review and confirmation are required to ensure the two positions offset each other at year end.

REVENUES
 continued

Provincial Grants, Other – Includes funding from Skilled Trades BC and is tracking to budget.

International Students – International student revenue is projected to finish at \$3,361,000, exceeding both this year's budget of \$3,161,000 and last year's actual revenue of \$3,019,000.

Other Revenue – Comprising Early Learning fees for service, student transportation fees, energy subsidies, and miscellaneous sources, this category is projected to finish \$210,000 over budget. Early Learning fee-for-service payments account for \$205,000 of that variance.

Rental & Leases – Rental income is projected to come in \$89,000 over budget, finishing on par with last year's actuals, which included revenue from two elections.

Investment Income – Investment income is projected to come in \$221,000 under budget due to a reduced cash position following the purchase of land in Promontory.

WAGES & BENEFITS

Teachers – Teacher wage expenses are tracking to budget.

Principals & Vice-Principals – Principal salaries are under budget by \$143,000.

Education Assistants – EA spending has increased from \$12,550,000 last year to \$12,909,000 year-to-date as of March. While the district budgets for full employment, vacancies result in ongoing underspending. Indigenous EA spending is projected to finish 14.6% under budget, and regular EA spending 7.1% under budget; resulting in a surplus position of \$800,000. The residual \$600,000 surplus is related to a classification error of budgetary dollars that should have been allocated to Support Staff.

Support Staff – Support Staff expenses are projected to come in \$308,000 over budget due to Clerical and Operations staff above budget. The residual \$600,000 deficit is related to a classification error of budgetary dollars that were allocated to the EA budget.

Other Professionals – Other professional expense is projected to come in \$281,000 under budget due to the timing of the hiring of various manager positions.

Substitutes – Substitute costs are projected to finish \$260,000 over budget. The key drivers are Teacher-on-Call (TTOC) costs at \$163,000 over, EA substitutes at \$65,000 over, and operations staff replacements at \$76,000 over. Partially offsetting these are savings in clerical, other support, and PVP substitutes, which are collectively \$44,000 under budget.

Employee Benefits – Benefit costs are \$230,000 under budget, consistent with wage trends across employee groups. Benefits are under budget for PVP, EAs, and management, while teacher, support staff, and substitute benefits are all tracking over budget.

SERVICES & SUPPLIES

Services – Services spending is projected to exceed budget. Key drivers of the variance include:

- International Program Growth – Higher-than-anticipated international student enrolment has driven \$60,000 in additional agent commissions and \$60,000 in Homestay service costs.
- Legal Fees – Costs associated with FOIPPA-related matters have resulted in \$80,000 in expenditures above budget.

The above represent selected examples of cost pressures contributing to the overall services budget variance. The remaining variance is related to various expense items which individually are immaterial to note.

Professional Development & Travel – Spending is currently tracking below budget; however, professional development activity typically increases toward year end and the variance is expected to narrow.

Dues & Fees – Dues and Fees are over budget by \$227,000 due to tuition expenses for students attending UFV. A further review is required to ensure the related budget for tuition fees is appropriately aligned to the Careers program.

Supplies – Supplies are projected to finish the year over budget, with transportation repairs and fuel accounting for \$50,000 of the increase.

Utilities – Utilities are projected to finish well under budget, driven primarily by lower than anticipated heating costs.

OTHER ITEMS

School Surpluses Included – Under the district's school-based budgeting model, schools may carry forward any prior year surplus. These amounts are recorded in year-end reserves and subsequently transferred out for schools to draw upon in the current year.

Capital Asset Purchases – Reflects expenditures for the purchase of capital equipment, vehicles, and portables.

DECISION REPORT

Regular Board Meeting

DATE: May 19, 2026
TO: Board of Education
FROM: Simone Sangster, Secretary Treasurer
RE: **BYLAW 2 – TRUSTEE ELECTIONS (REVISED)**

RECOMMENDATION:

1. THAT the Board approve first reading of Bylaw 2 – Trustee Elections (Revised). (attached).

OR

2. THAT the Board approve three readings of Bylaw 2 - Trustee Elections (Revised) (*Vote must be unanimous*)

If the recommendation 2 is approved, continue with the following:

3. THAT the Board approve first reading of Bylaw 2 – Trustee Elections (Revised). (attached)

4. THAT the Board approve second and third reading and adoption of Bylaw 2 – Trustee Elections (Revised). (attached)

BACKGROUND:

The next general local election will be held on October 17, 2026. This election will include an opportunity for electors to vote for all trustee positions on the Board of Education School District #33 (Chilliwack). As we prepare for this election, we are reviewing the conduct of the election and the board's election bylaw.

We are fortunate that the City of Chilliwack (the "City") and the Fraser Valley Regional District ("FVRD") have conducted our elections, in the past. For the upcoming election, the City has agreed to continue conducting the election and for October 2026 the City will operate the election in the rural areas. We met with the Corporate Officers of the City of Chilliwack and the Fraser Valley Regional District and confirmed this approach. This enhances the overall operation of the General Election for both entities and for our local residents. We will do this under an amendment to our existing agreement with the City.

We have reviewed the District's Trustee Elections Bylaw 2 against the BCSTA recommended elections bylaw, as well as bylaws in a sample of other BC school districts, and we engaged with legal counsel. The result is the recommended bylaw that is attached. The amended bylaw reflects core procedural elements of conducting an election, aligns with the bylaw of the City of Chilliwack and acknowledges that the election will be conducted by the City of Chilliwack.

For your review, we highlight the following changes from our prior bylaw:

- Enhanced definitions.
- Acknowledgement of conduct of election by the City and the harmonization of our bylaw with the City's bylaw.
- Alignment of the order of names on the ballot to be alphabetical in alignment with the order used in the city ballots.
- Repeal of the earlier bylaw.

We recommend that the board adopt this resolution.

TO: Board of Education
FROM: Simone Sangster, Secretary Treasurer
RE: **MAJOR CAPITAL FUNDING BYLAW - ADR**

Simone Sangster, Secretary Treasurer, will review an additional response received from the Ministry of Infrastructure to the Board of Education's Annual Five-Year Capital Plan. In June 2024, the Ministry approved an additional project for 2024/25. The additional approval was for an Addition to the A D Rundle Middle School; however, the details, including funding, for this addition were not agreed until recently.

Because the district will be expending funds on these approved projects, this item is brought to the board for bylaw approval.

RECOMMENDATION:

1. THAT the Board approve first reading of Capital Bylaw B2026-03 (No. 2024/25 CPSD33-02) at the May 19, 2026 Regular Board Meeting (attached).

OR

2. THAT the Board approve three readings of Capital Bylaw B2026-03 (No. 2024/25 CPSD33-02) (*Vote must be unanimous*)

If recommendation 2 is approved, continue with the following:

3. THAT the Board approve first reading of Capital Bylaw B2026-03 (No. 2024/25 CPSD33-02) (attached).
4. THAT the Board approve second and third reading and adoption of Capital Bylaw B2026-03 (No. 2024/25 CPSD33-02) (attached).

BACKGROUND:

In accordance with Section 142(5) of the [School Act](#), the Ministry provides each school district a written response to their annual Five-Year Capital Plan submission once the assessment of all submissions are complete and funding for the fiscal year is announced by the Ministry. The Ministry response letter (attached) indicates which projects have been supported and provides direction as to the next steps and timing for advancing project development.

The Board of Education is required to adopt a single Capital Project Bylaw (attached) to add to its approved 2026/27 Capital Plan, then the District will sign a contract with the Ministry, and finally the Ministry will issue a Certificate of Approval (COA) for each project. The COA is official authority allowing the School District to draw capital funds from the Ministry.

An Annual Programs Funding Agreement (APFA) accompanies this Capital Plan Response Letter which outlines specific Ministry and Board related obligations associated with the approved Minor Capital Projects for the 2024/25 fiscal year as listed above.

In accordance with Section 143 of the *School Act*, Boards of Education are required to adopt a single Capital Bylaw (using the Capital Bylaw Number provided at the beginning of this document) for its approved 2024/25 Five-Year Capital Plan as identified in this Capital Plan Response Letter. For additional information, please visit the Capital Bylaw website at:

<https://www2.gov.bc.ca/gov/content/education-training/k-12/administration/capital/planning/capital-bylaws>

The Capital Bylaw and the APFA must be signed, dated, and emailed to the Ministry's Capital Management Branch at CMB@gov.bc.ca as soon as possible. Upon receipt the Ministry will issue Certificates of Approvals as defined in the APFA.

As the 2024/25 Capital Plan process is now complete, the Capital Plan Instructions for the upcoming 2025/26 Annual Five-Year Capital Plan submission process (using the Ministry's Capital Asset Planning System (CAPS) online platform) will be available on the Ministry's [Capital Planning](#) webpage by April 1st, 2024.

School districts' capital plan submission deadlines for the 2025/26 fiscal year, using the CAPS online platform, will be as follows:

- **June 30, 2024**
 - Major Capital Programs (SMP, EXP, REP, RDP, SAP)
- **July 1, 2024**
 - Major Capital Programs (BEP)
- **September 30, 2024**
 - Minor Capital Programs (SEP, CNCP, PEP, BUS)
- **October 1, 2024**
 - Minor Capital Programs (FIP)

The staggered deadlines are intended to provide the Ministry with input required to initiate planning for the next budget cycle, while enabling school districts additional time and flexibility to plan over the summer.

Additionally, the Annual Facility Grant (AFG) project requests for the 2024/25 fiscal year are to be submitted using the CAPS online platform, on or before May 31, 2024.

NOTE: It is strongly encouraged that school districts discuss the draft versions of their intended capital projects and AFG project requests with Ministry staff well in advance of submission deadlines.

As a school district with a School Site Acquisition Charge (SSAC) scheme in place, please also be advised that the eligible school site requirement set out in the final resolution of the Board of Education in accordance with s. 574(5) of the *Local Government Act*, is duly accepted by the Ministry as part of the Board's approved capital plan for 2024/25.

The Board should forthwith adopt a bylaw setting the School Site Acquisition Charges for the School District, as s. 575(3) of the *Local Government Act* prescribes that a SSAC may only come into effect 60 days (inclusive of weekends and holidays) after that bylaw is adopted by a board of education. At that point, local government may commence the collection of an applicable per dwelling unit charge from residential developers on behalf of a board.

Please contact your respective Regional Director or Planning Officer as per the [Capital Management Branch Contact List](#) with any questions regarding this Capital Plan Response Letter or the Ministry's capital plan process.

Specific questions about SSAC should be directed to Regional Director [Travis Tormala](#).
