Please read the Chilliwack School District's Acceptable Use Agreement ("AUA")

☐ I have read the Acceptable Use Agreement.

The Chilliwack School District (the "District") has taken reasonable steps to ensure that access to the Internet is supervised and monitored. However, your child may be exposed to inappropriate material on the Internet due to the daily use of the system.

Refer to: Administrative Procedure 352: Technology Use

☐ I am aware that my child may be exposed to inappropriate material on the Internet due to daily use of the district system.

☐ I am aware that my child may face disciplinary action similar to that defined in the AUA if caught intentionally accessing information in ways that violate the AUA.

Technology Use Consent:

The District uses the following programs to support the education of our students. During the course of your child's education, they may be given access to create an account in one or several of these resources. These programs have been assessed by the District and deemed low risk for privacy concerns.

We encourage you to review the Terms and Conditions for these programs at the links listed below before providing consent.
